All Medical Superintendents of Base Hospitals
All Medical Officers-in-charge of Divisional Hospitals

RE: Mandatory notification of confirmed/suspected dengue deaths at hospitals to National Dengue Control Unit

As per the decision taken by the Ministry of Health recently, in future, dengue disease surveillance will be a responsibility of the National Dengue Control Unit (NDCU). Therefore, **all confirmed/suspected dengue deaths at all curative institutions** hereafter, should be communicated directly to the **National Dengue Control Unit**.

The format for such communication is attached herewith for your reference. In addition, you may either fax or email the completed form to NDCU.

Furthermore, details of all dengue deaths during the year 2021, irrespective of whether they were previously informed either to the National Dengue Control Unit or to the Epidemiology Unit, should be sent to NDCU using the same format.

You are advised to communicate the above decision to all relevant health staff under your purview and ensure that the given instructions are followed.

For further information, please contact:

Dr. Indika Weerasinghe - Medical Officer: 0712259210

Dr. Umesha Premathilake - Medical Officer: 0773764187

National Dengue Control Unit: General - 0112368416; Fax - 011236989 email: ndcu2010@yahoo.com

Your urgent attention in this regard is appreciated.
